

## The Early Morning

It is tick-tock. It is an alarm clock. I turn off the alarm and get up at 7 a.m. I turn on the lamp (or I turn the lamp on). I wash my face. I brush my teeth, then I go to the kitchen. I pour the water into the teapot. I turn on the burner.

After 5 minutes, the water boils. everyday, I drink a cup of coffee. I bite an apple. Then I go back to the bedroom and open my closet. I get dressed and wear some perfume.

Oh It's great. I like perfume. At the end, I go downstairs and leave the house.
